

EINSTEIN et al.
Appl. No. 10/560,723
Attny. Ref.: 3665-166
Amendment After Final Rejection
July 20, 2009

REMARKS

Reconsideration is requested.

Claims 1, 2 and 16 are pending. The allowance of claim 1 is acknowledged, with appreciation. Claim 2 has been revised, without prejudice, as suggested by the Examiner on page 2 and page 6 of the Office Action dated April 20, 2009, to obviate the Section 102 rejection of claims 2 and 16 over Gish (U.S. Patent Application Publication No. 2007/0014801), and the Section 102 rejection of claims 2 and 16 over Venter (U.S. Patent No. 6,812,339). Entry of the present Amendment will place the application in condition for allowance by obviating the remaining rejections. Entry of the present Amendment, withdrawal of the Section 102 rejections and a Notice of Allowance are requested.

The Examiner is requested to contact the undersigned, preferably by telephone, in the event anything further is required.

Respectfully submitted,

NIXON & VANDERHYE P.C.
